CURRICULUM VITAE

EDUCATION AND TRAINING:

- Hebrew University, Hadassah Medical School, Jerusalem, Israel, M.D. 1975
- Resident in General Surgery, SUNY at Stony Brook, New York 1976-1981
- Transplantation Fellowship SUNY at Stony Brook, New York 1981-1982
- American Board of Surgery Certification #037547, December 3, 1982
- American Board of Surgery Recertified October 1998
- Licensed in Maryland
- University of Arizona College of Law JD May 1999

HOSPITAL AND ACADEMIC APPOINTMENTS:

- Assistant Clinical Professor Department of Surgery George Washington University Washington DC 1992- present
- Attending Surgeon General Surgery and Transplantation Washington Hospital Center Washington DC 1992- 1996
- Senior staff surgeon Henry Ford Hospital Detroit MI 1991-1992
- Medical director transplantation services Sierra Medical center El Paso Texas 1989-1991
- Clinical Associate Professor in Surgery, Attending Surgeon in Transplantation and General Surgery Department of Surgery, SUNY at Stony Brook, New York 11794 1982-1989

MEMBERSHIP IN PROFESSIONAL SOCIETIES:

- The Transplantation Society
- American Society of Transplant Surgeons
- European Society for Organ Transplantation
- Fellow, American College of Surgeons

HONORS:

- Assistant Editor, Transplantation Proceedings
- President, New York Transplantation Society, 1988-1989
- Representative of the State of New York to the Organ Procurement and Distribution Committee of the United Network for Organ Sharing (UNOS)
- Board of Directors New York Regional Transplant Program (NYRTP)

MILITARY SERVICE:

Captain, Israeli Medical Corps. 1971-1974

PERSONAL:

Born 2/12/46 Jerusalem Israel

PATENTS:

U.S. Patent #4,723,939. Apparatus & Methods for Multiple organ procurement

U.S. Patent #309,288 Method for hypothermic organ protection during organ procurement from non - heart beating cadaver donors

U.S Patent # 576,058 Hemostatic Organ Preservation System

BOOK CHAPTERS:

David Anaise: Pharmacologic Agents in Organ Preservation

In: "Procurement and Preservation of Vascularized Organs"

G. M. Collins Editor Kluwer Academic Publisher 1996

David Anaise: Salvage of Organs from Non Heart-Beating Cadaver Donors

In: "Procuring Organs for Transplant"

R. M Arnold MD editor John Hopkins University Press 1996

David Anaise , Mark Yland : Perfusion and Storage Techniques

In : "Basic Concepts of Organ Procurement"

L Toledo Peryera MD Editor RG Landes Co 1996

David Anaise The technology of transplantation

In: "Bioethics and Law"

Michael H Shapiro and Roy G. Spece Jr. editors West publication 2003

PUBLICATIONS:

106 articles published in peer reviewed journals
